We All Have Some Talent

Some People Are Just More Creative

2. Did you know you can have talent in other areas as well:
 - ☺ Making people feel happy
 - ✍ Writing letters, poems, stories,...
 - 🌠 Finding constellations
 - 🎯 Throwing darts
 - 📖 Reading stories to children
 - ☎ Talking on the telephone
 - 💻 Using computers
 - 🌦 Forecasting the weather
 - 🧭 Having a good sense of direction
3. Ask your friends and family to help you figure what you are good at
4. Learn new talents- get together with your friends and share your talents
5. We all have something that we are good at- sometimes it is so obvious that we don't realize it
